The Oxford Law Online Family

Oxford Law Online brings users high-quality content from leading experts, offering fast access to reliable and authoritative materials. With services across key areas of law, Oxford's online law resources provide students, scholars, and practitioners with comprehensive, trusted content for every need.

[CONTACT US](#)[REGISTER FOR A FREE TRIAL](#)

Oxford Competition Law

The only fully integrated service to combine market-leading commentaries with rigorous, selective national case reports and analysis from EU member states.

The service is continually updated with cases and materials, a must-have for practitioners and legal scholars needing up-to-date information quickly.

Oxford Competition Law helps support legal research and save you time by:

Cross-searching across commentary, cases, and materials

Translating key portions of foreign language judgments into English

Saving links to favourite books, articles, chapters, and commonly used searches within a personalization area, to quickly access in future sessions

Filtering search results with a sophisticated subject taxonomy to return the information you need

Providing the content how you need it — on-screen, on your tablet, or download to PDF for research on-the-go

The service comprises enhanced online versions of:

- *Bellamy & Child: European Union Law of Competition*
- *Faull & Nikpay on The EU Law of Competition*
- *Whish & Bailey on Competition Law*

Oxford Constitutional Law

This platform allows users to perform a single search across all three of our constitutional law services, ensuring speedy, inclusive results.

OXFORD CONSTITUTIONS OF THE WORLD

The only resource to contain fully-translated English-language versions of all the world's constitutions (both national and sub-national), accompanied by individual jurisdictional commentaries, and supplementary materials, including foundation documents, historical versions of constitutions, and amendment Acts/Laws.

US CONSTITUTIONAL LAW

A comprehensive research resource on the law, politics, and history of constitutionalism in the United States at the federal and state levels. This service provides:

Article-by-article commentaries on the history and current practice of every State Constitution, providing valuable context to constitutional documents

The full text of current and historical State and Federal constitutions, facilitating research and analysis of these texts over time

Sophisticated search and browse functionality that allows users to view the full range of materials, or drill down into particular series, subjects, or jurisdictions

Oxford Constitutional Law

MAX PLANCK ENCYCLOPEDIA OF COMPARATIVE CONSTITUTIONAL LAW

The *Max Planck Encyclopedia of Comparative Constitutional Law* is a comprehensive online resource containing analytical comparative articles offering a global overview of constitutional law. Developed with constitutional lawyers, academics, and students in mind, the encyclopedia provides seamless navigation between encyclopedia articles, linking to commentaries and instruments from the *Oxford Constitutions of the World* and *US Constitutional Law* products, and through reference pages on the *Oxford Law Citorator*.

User benefits

- *Cross-search between components of the Oxford Constitutional Law service*
- *New articles added, and content updated throughout the year*
- *Find content quickly with sophisticated searching and filtering*
- *Speed up the research process with personalization options – save often used articles for fast access in future sessions*
- *Print friendly PDFs are available for each article*
- *Extend research capabilities via the Oxford Law Citorator*

Investment Claims

Investment Claims is an acclaimed service for both practitioners and academic users. Regular updates mean that subscribers have access to a fully integrated suite of current and high quality content including:

- *Arbitration awards and decisions with peer-reviewed case reports and analysis*
- *Bilateral investment treaty sets*
- *Multilateral treaties*
- *Investment treaty overviews from expert correspondents*
- *Key monographs*
- *Yearbook articles*
- *Arbitral rules*
- *National legislation*
- *English translations of key portions of non-English decisions*

Investment Claims supports legal research and saves you time by:

Providing peer-reviewed analysis, full headnotes, overviews, and English translations of key portions of non-English decisions

Cross-searching all content on the site with a variety of search and browse functionality

Filtering search results with a sophisticated subject taxonomy to return the information you need

Saving links to favourite and commonly used searches within a personalization area, for quick access in future sessions

Offering convenient options for viewing content: on screen, printer friendly view, or download to PDF for research on-the-go

Oxford Public International Law

A comprehensive, single platform providing integrated access across our international law services.

OXFORD REPORTS ON INTERNATIONAL LAW

This service has set new standards for currency and coverage of public international case law, reporting on international courts, domestic courts, and ad hoc tribunals. Case reports contain the full text of each decision, headnote, as well as analytical commentary and English translations of a number of key non-English decisions.

The case law within ORIL is divided into seven modules, available separately or in any combination:

- *International Law in EU Courts*
- *International Trade Law Decisions*
- *International Law in Domestic Courts*
- *International Criminal Law*
- *International Human Rights Law*
- *International Investment Claims*
- *International Courts of General Jurisdiction*

MAX PLANCK ENCYCLOPEDIAS OF INTERNATIONAL LAW

The *Max Planck Encyclopedia of Public International Law* (MPEPIL) and the *Max Planck Encyclopedia of International Procedural Law* (MPEiPro) are comprehensive analytical resources that feature peer-reviewed articles on every aspect of international law. Written and edited by an incomparable team of over 1000 scholars and practitioners, these definitive reference works are the first port of call for anyone interested in international law.

Oxford Public International Law

OXFORD SCHOLARLY AUTHORITIES ON INTERNATIONAL LAW

This service contains full-text online editions of market-leading reference works and treatises, such as *Oppenheim's International Law*, *Oxford Handbooks*, and the *Oxford Commentaries on International Law*.

With over 180 titles available, content on OSAIL includes:

Authoritative treatises, which continue to define their area of law

Black-letter reference works and commentaries, which will help you to answer practical questions about the law

Classic works on international law, which remain influential in their field today

Flagship publications, which provide innovative perspectives on current legal problems

OXFORD HISTORICAL TREATIES

The premier resource for historical treaty research that enables cross-searching across all of Oxford's public international law resources.

Oxford Historical Treaties contains:

Access to the complete *Consolidated Treaty Series*, the only comprehensive collection of treaties from all nations concluded from 1648 through 1919, in an accessible and intuitive format

Insights from general editor Randall Lesaffer, who ensures accuracy and authority while overseeing the expansion of the site

Additional commentary and contextual information

Oxford Public International Law

OXFORD INTERNATIONAL ORGANIZATIONS

Developed in conjunction with the Manchester International Law Centre, this online resource is a unique repository for acts and practices of international organizations. It collects and analyses primary materials from and about international organizations, ranging from their constituent instruments, resolutions, agreements with host states, to national and international court decisions.

Oxford International Organizations:

Provides practitioners, scholars, and students with instant access to classic as well as more obscure materials on the law of international organizations

Enables comparative research across a wide range of organizations

Headnotes include expert analysis of each document, setting out its impact on the internal working of the organization in question; and the development of the law of international organizations generally

Includes over 300 headnotes and is continuously expanded with new materials to give researchers a full overview of the legal frameworks, processes, and impact of a growing range of organizations

Oxford Legal Research Library

The Oxford Legal Research Library provides integrated access to key law titles across four subject area collections: International Commercial Law; International Commercial Arbitration; Financial and Banking Law; and Private International Law.

These collections bring together authoritative titles—established and new—written by world-renowned authors, making them essential to all those advising on or researching in these areas.

Access to over 130 books containing first class analysis and opinion

New titles and editions added regularly to maintain topicality with updates between editions for relevant titles

Cross-search all content across OLR, by module, or by title with full search and browse functionality

Key authors in each subject area include:

- International Commercial Arbitration

Redfern & Hunter, Weigand, Moser & Choong, Gallagher ...

- International Commercial Law

Bridge, Dickinson, Furmston, Goode, Kee, Kronke, McKendrick, Schwenger, Vogenauer ...

- Financial and Banking Law

Blair QC, Buchheit, Busch, Derham, Ferrari, Gleeson, Gullifer, Guynn, Lastra, Paterson, Proctor, Lomnicka, McMeel, Moloney, Zakrzewski ...

- Private International Law

Cheshire, North & Fawcett, Briggs, Garnett, Hartley, Raphael, Fentiman ...
